## WHERE HERITAGE AND HISTORY COME ALIVE!

Ride on the only preserved section of the historic Kettle Valley Railway line built between 1910 & 1915.

Originally 325 miles long, the KVR is said to be one of the most difficult railways ever built. You'll enjoy a 90 minute nostalgic journey through the rural beauty of Summerland & onto the Trout Creek trestle bridge with spectacular views of Okanagan Lake & the Trout Creek canyon below.

Our majestic 105 year old locomotive "the 3716" thrills young & old alike as it steams along the track. Live music, historical commentary & an observation game for the kids completes your unique railway adventure.

## GREAT TRAIN ROBBERY & BBQ EVENT

It's the "Wild, Wild West" at its best as the Garnett Valley Gang rides out of the hills to rob the train! Their daring horsemanship & period clothing take you back to pioneer days while a bevy of dance hall girls engage you with their antics onboard. Get ready to hand over your spare change to these desperados who, in the spirit of generosity, donate it to local charities. Following this fun filled two hour adventure you head back to the station to enjoy a delicious Baron of Beef & Chicken BBQ dinner & live music.
